

August 10, 2014

Dear Students and Parents,

It was wonderful to see so many of you today. If you couldn't make it, don't worry. You can bring your supplies with you on Tuesday.

I will send home a note from the school office about personal electronic devices in the classroom. Please sign and return the note if you would like your child to have a personal electronic device at school for reading books, etc. You do NOT need one. It will only be used during study time for personal reading.

Homework - your child should be able to complete most homework during the school day except for math, spelling, and reading. Please let me know if your child is struggling with too much homework.

Online homework - we will start the year with only one or two online homework assignments per week. I will email a link to the website L

anguage Arts website:

<https://www.noredink.com/>

The math books have online help at the following website:

<http://www-k6.thinkcentral.com/ePCLandingPage/>

Then you put in the code from the page in the math book. There are online videos and homework helps.

See you on Tuesday,

Mrs. Carr
